Contemporary Island Villas

Serenity Villas is a Property Development Scheme.

The development accommodates the largest plot sizes for villas in the north, and there are only 11 of them!

Serenity Villas is open to foreign investment, and qualifies for the permanent residence permit.

The development is near the Smart City Scheme that will connect the villages of Mont Choisy and Grand Baie via a vehicle-free boulevard and parkway.

The luxury real estate development is a two-minute walk from the premier 2Beach Club on Pereybere Beach.

Design and decor set these contemporary villas apart. The design team define the quality of the Serenity Villas...
